

The Running Tig ~ Volume 1, Edition 18, February 6

Important Information

What a Super Bowl!! Regardless of who you were rooting for, I still think I remember a certain 2:07 that was way better than any moment in this game.... Even though the football season may be officially over, the time to run never ends. Just a few quick updates for everyone to look over.

Club elections will be held at the next monthly meeting on Monday, February 13th. The meeting will be held at Room 201A in the Library. Go to the second floor and walk straight from the steps - the room will be on your left. The list of candidates will be sent out in a separate email this week. Remember, you must be present to cast a vote.

We are beginning to get our schedule put together for baseball concessions. Remember, concessions are the largest source of revenue for the club aside from the CUSG funding, so we need your help (plus they are tons of fun to work!) **Please add your name and select your availability for the home baseball dates in this [doodle poll](#).** Select any day you are available to work, but please note we will only be working 3 or 4 games. In other words, this isn't a sign up sheet - just an availability sheet. Concessions said that weekdays are the hardest for them to get groups for, so that would be a major perk if we can get some weekday games scheduled! Official home baseball schedule is [here](#).

Racing Corner

We hit our 18 required people for Palmetto, thanks to everyone who has signed up! We have the following as participants - Alex Dahlstrom, Carley McGlinn, Courtney Shearer, Daria Yoder, Desi Ferreira, Gracie Griffith, Graves Littlejohn, Kole Koterba, Kyle Norcia, Lucy Rummler, MacLaine Conti, Matthew Justus, Matthew Kizer, Michael Holland, Nick Gladden, Scott Rowe, Scott Seeman, and Sydney Gilstrap. A further email will be sent out to participants this week with more info about the race and registration info.

This Week at Practice

Another good weather week is in store! Our practice numbers will be lower on Tuesday due to the basketball concession, but expect good turnouts the other days! And as always, everyone's favorite frisbee game will commence Friday at the intramural field in front of Fike.

A Look Ahead

Feb 7 - Basketball Concession, Men's BBall vs Syracuse
Feb 13 - Monthly Meeting and Elections
Feb 14 - Basketball Concession, Men's BBall vs Wake Forest

Weekly Wisdom

Most of us are happy to have a week of running everyday, or maybe even a month. A year is a huge goal for some. But what about [52](#)? (To put that in perspective, he started his streak before the Super Bowl was even a thing!)

Happy running, and as always, go tigs!
