

The Running Tig ~ Volume 1, Edition 14, December 5

Important Information

Ah, that [time](#) has come again...the last week of the semester. Just a few things to go over as you try to cram the last bit of information in before your finals. First off, thanks to everyone who attended the Cookie Boogie and Frisbee Night Smackdown events - both had great turnout and lived up to the expectations!

If you are planning on running in the Palmetto 200 or 70, please respond to this email, even if you have already told me in person. The dates for the race are March 24th and 25th.

As has been mentioned in the past, basketball and baseball concessions are our number 1 source of outside funding for the club. They are a lot of fun to work, and are a great bonding experience with your running club fam. With that said, we have **3 basketball concessions** on our schedule thus far - **January 19th, February 7th, and February 14th**. Anyone is able to come out and do concessions - we need as many as we can get. (If you are planning on running the Palmetto 200 or 70, then concessions are virtually a requirement if you are available, as it is the main source of funding for the race.) **Below is a sign-up sheet - please put your name down if you can do concessions.** There are further forms that must be filled out per Aramark, which we will forward your way. If you have any questions, feel free to ask! More details will be provided nearer to the games.

2017 Basketball Concessions

As classes take a break, so will the newsletter. By the end of break, we will have an updated Spring racing schedule, as well as updates on other club matters, including deets on the upcoming club elections. We wish everyone well on their exams, safe travels back home, and wonderful times over the holidays!

This Week at Practice

Due to differing exam schedules for everyone, stay tuned day-by-day in the GroupMe to see when people are available to run.
