

The Running Tig ~ Volume 1, Edition 11, November 14th

Important Information

Due to various events and the lack of a December meeting, the last monthly business meeting of the semester has been postponed to next Monday, November 21st. We will announce a location in next week's newsletter.

Don't forget that we will be having our Tigsgiving/Fall Banquet dinner next Saturday, November 19th! This dinner will take place from 5:00pm to 8:00pm at Nettle's Park. It is a potluck style dinner. Rides will be provided for those who need them. Please let us know via email or GroupMe if you need a ride.

T-shirts are also in. If you have paid dues and would like to get your t-shirt, please let us know via GroupMe or email when you will be out to practice so we can plan on bringing shirts accordingly.

Lastly, Frisbee Friday has been a staple of the club for many years. We would like to conclude the semester with the most hype game yet, so on Friday, December 2nd, we want as many who can attend to come out for the Frisbee Night Smackdown under the lights. More info will be released nearer to the date, but start working now on those hammerthrows and shut down defenses.

Racing Corner

The racing season wrapped up this past weekend in Hershey, PA at the NIRCA National Championships. Way to go to everyone who was able to make the trip, lots of good stuff all around out on the race course!! Somehow we all made it back in one piece more or less, spare one suitcase...

While that may conclude the fall season of racing, don't forget there are more racing options in the spring! Even if you haven't been able to race xc, there's still time for you to come out and race track and the half marathon in the spring, as well as Palmetto. More info next week.

This Week at Practice

It's getting cold out (and smoky...). Even though the racing may be over for some, that doesn't mean practice is! We will continue to meet at the normal time and place, probably with some nice chill running this week. Frisbee Friday will return with what will hopefully be an great showdown under the lights.

A Look Ahead

Weekly Wisdom

Talk about weekly wisdom...for the first time in club history, the trivia team won at trivia night this past Thursday. Way to represent the club well!

Happy running, and as always, go tigs!
