

The Running Tig ~ Volume 1, Edition 15, January 10

Important Information

Hope everyone had a great winter break! Without a doubt, last night was the pinnacle of the break for most of us, if not our college careers. Quite a special time to be a Tiger indeed! A few quick **important** updates to pass along in regards to the club.

First off, **we need more** volunteers to help out with the Pendleton Elementary School service project. If you are available on **Thursdays from 2-4pm**, we would greatly appreciate your assistance. You don't even have to be in top running form - just be sure to bring out your most fun attitude! Helping the kids last semester was an absolute blast, and it truly meant a lot to see the impact that something as simple as running could have on their lives. We're sure the kids can't wait to have us back again, **so if you are interested, please respond to this email or contact Alex Errington at aerring@g.clemson.edu or 336-455-2795.**

Second, we still need people to sign up for concessions, **especially those who are committing to do the Palmetto Relays**. This is a huge source of funding for the club, and it is vital that you help in these concessions. They are a lot of fun, and you get to bond with the rest of the team. We need at least **12 volunteers**, so please sign up if you are available, even if you aren't planning on doing Palmetto. The dates are listed below - all will take place in the evening. We will send more info to you to complete once you sign up on the Google sheet.

2017 Basketball Concessions

Lastly, more details on the upcoming elections will be sent out in the next newsletter.

This Week at Practice

Normal practice resumes tomorrow (Wednesday). You know the deal - 5:00pm at Cox Plaza. Also, the much anticipated return of Frisbee Friday will take place this Friday. Maybe last night's game helped finesse your skills out on the field.
